Homecoming Expectations for Dress codes—Be Responsible

During Homecoming week, dress code expectations will still be enforced on themed dress-up days. All students are encouraged to participate in the dress-up days, with the following guidelines:

1. All clothing should appropriately fit and cover students from shoulder to mid-thigh.
2. Shoes must be worn at all times.
3. No hats, head coverings, or sunglasses.

If a teacher or staff member sees you dressed inappropriately during Homecoming week, you will be sent to the dean’s office and asked to change or cover up.

Dress for the Homecoming dance is semi-formal. Semi-formal means you should dress nicer than you would on a usual school day.

No Jeans will be allowed at the Homecoming Dance!

Assembly and Activity Rules for Behavior - Be Respectful

Students should enter the gymnasium quietly.

Students should learn the national anthem and the school song.

Students should remain standing for both the national anthem and the school song.

Students should participate by singing the school song with pride and enthusiasm.

Students should never discourage other students or athletes by making gestures, yelling or booing at them for their achievements and they should watch their performances with pride and respect.
